

SECURE YOUR LOAD

When transporting any loads to your nearest landfill or transfer station to prevent litter from escaping your vehicle effective **May 1, 2018**.

WHO:

Our Landfill/ Transfer Station

Operators will refuse entry into the site if the load is unsecured or they will collect a surcharge which can be double the cost of your load. Ex: A \$20 load will be \$40.

REACT - Regional Authority Of Carlton Trail

Office: (306) 682 - 1955

Address: 307 12th Street, Humboldt, SK, S0K2A0

Website: www.reactsask.ca

Facebook: REACT- Regional Authority of Carlton Trail

Possible Fines:

In Saskatchewan a person can lose 4 points on their license if they are caught transporting an unsecured load.

At The Gate:

If you are caught transporting an unsecured load, our Operators will be collecting a surcharge (double the cost of your load), or you may be refused entry.

How To Secure:

- Netting
- Tarps encasing the entire load
- Small debris has to be tarped
- Load has to be secured to prevent debris from falling out

What Needs To Be Secured:

- All loads **MUST** be secured.
