Dear Reeve Gibney and Council:

Please be advised that the Water Security Agency (WSA) is rescinding the April 25, 2019 Precautionary Drinking Water Advisory for the Hamlet of Guernsey and is effective immediately.

Samples have been collected and returned with no positive bacteria found in the samples submitted and all other proper measures have been taken to put the water system back into service.

We believe no potential health risk currently exists for the users of the drinking water distribution system in the Hamlet of Guernsey, and the advisory previously issued is hereby removed.

If you have any further questions or concerns, please do not hesitate to contact the undersigned at (306) 946-3233.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary Papic", is written over a light grey circular watermark.
