

Updates from RM Council:

Tax Notices:

Tax notices are coming! Our Admin staff are preparing for the levy process as we await documentation from SMHI. Expect to see notices late July, early August. Please note we are not equipped to email notices out at this time; notices are sent via Canada Post. Thank you for your patience!

A reminder that we offer various payment options: etransfer (rm310@sasktel.net, cheques (postdated are accepted as well), or telpay (please see newsletter for further details)

Guernsey:

Campground: we are still FULLY RESERVED with no vacancies!

Pest control: we have had an increase in issues with our traps & bait not being returned when they are borrowed from the municipality.

Unfortunately, due to this, our traps are no longer available for private use.
