

RM of Usborne No. 310 Tax Enforcement Policy

TAX ENFORCEMENT ON ARREARS

The RM of Usborne levies taxes annually, in July/August. Taxes are due annually on December 31 of each year.

Tax Enforcement proceedings are completed each year, in conjunction with current legislation (*The Tax Enforcement Act & The Tax Enforcement Regulations*). The RM of Usborne has referred all tax enforcement files to a third party firm, TAXervice.

TAXervice's fees are calculated in their office and applied to properties in arrears accordingly. The RM of Usborne does not influence, or have a role in setting these fees. Each step in the tax enforcement process is subject to applicable fees – ratepayers are asked to contact TAXervice with questions in this regard.

Reminders are issued in conjunction with the RM's tax notice delivery policy, no exceptions. The responsibility lies with the applicable title owner to ensure taxes are paid, on time, to avoid tax enforcement proceedings.
